After consultation with your Fun Consultant they can talk you through a variety of outlets that would be suitable for your group, by listening to your needs. If there is an outlet you would like to visit which is not on our list, please let our tour coordinators know and we'll take your group there if possible.

Testimonials

'Myself, Cheryle and all on the bus liked Robyn, thought she was great and Sean our bus driver was outstanding. The best we have ever had! The most courteous man, wouldn't let us carry anything that was heavy to the bus, put everything on board. You see all of us have had to arrange our parcels with another Shopping tour company. We were all thoroughly spoilt which was great. I will be booking for next year around the same date. We all had a great shopping time, but everyone was relaxed not like we have had in the past with that other company. Thank you and your staff for us all. Looking forward to next year'.

We understand that the task of the organiser can be a difficult one. We have compiled a list of handy hints in order to make your job a little easier.

- Send out invitations at least 3-4 months prior to your tour. **Set date for payment at least 6 weeks prior to your tour.** Where possible tell all those you invite to bring a friend or two. You may also wish to involve organisations similar to yours to increase your group size.
 - As a suggestion please ask your group to pay you a \$30 deposit, to insure numbers stay high.
 - Get in early if booking for a pre-Christmas tour as demand is high at this time. (This applies from September through to November)
 - Friday Night and Sunday tours available on specific dates from September - November. Please call regarding availability.
 - Fill in the booking form online <http://www.gogetaround-tours.com.au/book-tour> or send manually with \$150 deposit to confirm the date of your tour as soon as possible.
 - We understand that some may be slow to reply and/or pay for the tour and bearing this in mind
- the numbers attending your tour are only an indication at the booking stage. Finalisation of numbers should occur at least 6 weeks prior to the tour and payment up to 2 weeks prior.
- We would advise that you charge your group slightly extra (perhaps the price category below your expected numbers) in order to cover yourself if numbers unexpectedly drop. If you do end up with extra money as a result you can add it to your fundraising or use it for buying some drinks on the day.
 - Our experienced and friendly consultants will work with you concerning the warehouses that best suit your needs. Don't hesitate to contact us.
 - As warehouse times are pre-booked, please ensure that members of your group are aware of the importance of punctuality both in regards to the pickup time and during the day.
 - Arrive at least 15 minutes earlier than expected departure time.

Cancellations: A full refund of your deposit will be made when we receive at least two months notice and can be transferred up to 1 month prior to your tour. As all preparation/bookings are completed well in advance to maximise your choice of outlets, no refunds are available after this time. Full payment is then due 14 days prior to your tour.

As a sign of our appreciation of your efforts we would like you to enjoy a complimentary gift for the tour organiser. These will be given to you on the day of your tour.

Dear.....

Thank you for your enquiry regarding 'Go Shop Around' Tours (also known as Go Get Around Tours with 20 years experience)

We provide the ultimate shopping tour experience visiting Melbourne's manufacturers, wholesalers and discounters with savings of up to 75% off recommended retail prices. Being able to raise money for your organisation by purchasing these discounted products is what makes our shopping tours such a unique fundraising experience.

Our lucrative fundraising structure is based on money spent rather than group size and gives every group the opportunity to maximise their fundraising potential.

If fundraising we believe that your group should earn at least \$500 or in excess of \$2000 on a big spending day!

All tours include coach transport, group pick-up and drop off at your desired location and refreshments on board. They are fully escorted by our professional and friendly hosts who provide up-to-date information regarding the best bargains and specific details of each outlet. You may always request a particular host who has assisted in making a previous tour memorable.

All fundraising groups receive:

- **10% commission** on your group's total sales regardless of numbers.
- Free ticket for organiser
- Cash bonus incentives for groups spending over \$6,000.
- Groups over 30 people have an opportunity for a toilet on board
- Refreshments and lollies on board
- Fabulous gift for the hardworking organiser
- 10% discount off all tickets if final payment is paid 3 weeks earlier than tour date (not available with any other offer)
- Extra raffle prizes for fundraising groups of 30+
- Children under 16 years are FREE, are not included in headcount and pay for their lunch

Tours can incorporate a scrumptious two-course restaurant lunch with a glass of wine, a visit to the casino, a BYO or Take-Away lunch option. You choose the outlets you visit from our comprehensive list and formulate the itinerary after consultations with our experienced, flexible and friendly staff. Throughout the day we update you on your fundraising situation and even send a breakdown of spending at each outlet with your commission cheque.

Non-fundraising tours are available at a reduced cost as these don't include the commission or spending incentives.

We suggest conducting more than one tour per year to incorporate all seasons and situations from Easter to Mother's Day, Father's Day and of course, Christmas. This way you can take advantage of our 10% discount for your second tour booked within 12 months of the first. This discount also applies to our gourmet and non-fundraising winery tours.

We believe that we have succeeded in producing a highly entertaining, bargain-filled day with innovative fundraising opportunities for all groups. We are always happy to explain our tours in more detail and welcome any further enquiries.
